

On Thursday **April 8th, 2021** the first **UniTo Open Day** for international students is going online.

International students will discover the **academic programs** of the University of Torino and will meet **faculty and staff** ready to answer all their questions. A specific focus is provided on degree **programs taught in English**.

We are glad to share with you the event notice and we would appreciate it if you could **spread the news among the students** in your University.

UniTo Online Open Day is free and available upon **registration** at the following link:
